

# Stratodesk NoTouch Licensing Options

---

## Option 1: Perpetual

Perpetual licensing with annual support and maintenance remains our core offering.

- Allows the customer indefinite use and transfer software between machines as needed for a one-time fee.
- Includes both NoTouch OS and NoTouch Center functionalities.
- Clients with active support and maintenance can download updates and new versions as available.

## Option 2: SaaS (Software as a Service)

- Based on NoTouch Enterprise (includes NoTouch OS, NoTouch Center, Network Management Plus, Disk Encryption, Cloud Xtension, and VPN).
- Multi-year terms are available
- Select from three support tiers—Silver, Gold, or Platinum—offered at an affordable per-device, per-year rate.

## Find the Right Fit for You

Explore Stratodesk NoTouch Solutions with flexible licensing options—choose between Perpetual or SaaS to match your needs.
